

# Directions

We are located in the Emily Haury Anthropology Building on South Campus Drive. We have a designated parking spot in the parking lot just across Campus Drive (Lot 5073). Use of this spot requires a permit that we are happy to provide when you schedule an appointment with us.

Our reserved parking spot is marked with our logo and phone number:

From the parking lot, the Anthropology building is to the north:

If you walk to the left (west) of the building, there is a side door on your right that leads directly to a stairwell. We are on the third floor, on your left as you leave the stairwell, in room 313. If you require an elevator, there is one through the main doors of the School of Anthropology past the large staircase.

If you have trouble finding your way, please give us a call at 520-621-2646.
